**PRELIMINARY AMENDMENT**

Prior to the first office action, please amend the original specification  
relating to the application of US Serial No. 09/874,128, filed June 5, 2001, as follows:

**In the Claims:**

Please add the following claims:

9. An OLED device, comprising:

- a) a pixel site including a plurality of individually addressable light  
emitting elements including a light emitting element for emitting white light and one or  
more light emitting elements for emitting colored light; and
- b) the white light emitting element being at least twice as efficient as at  
least one of the colored light emitting elements.
